

SWEDISH
INSTITUTE
at ATHENS

Dear colleague,

The Swedish Institute at Athens is pleased to invite you to a workshop on the topic **Digitizing the cultural heritage** to be held at the Swedish institute at Athens on **Wednesday 16th March 2016**. We will present the results of a three year infrastructural project aimed at inventorying and digitizing material from Swedish archaeological fieldwork in Greece, as well as the digitization project by the National Archive of Monuments at the Hellenic Ministry of Culture and Sports.

Program
