

Athens Balkan Archaeology Days 2017

at the Swiss School of Archaeology in Greece, Od. Skaramanga 4b

Fri. Dec. 8 BOOK LAUNCH (18:30 - 20:00)

☾ Maja Gori - Maria Ivanova (eds), *Balkan Dialogues, Negotiating Identity between Prehistory and the Present* (London 2017).

Papers by: M. Gori, M. Ivanova, J. Maran, H. P. Hahn, J.-P. Demoule, Z. Tsirtsoni, O. P. Gosselain, M. Furholt, A. Pentedeka, J. Müller, S. M. Valamoti, M. Özdoğan, S. E. Allen, J. Vuković, P. Lera, S. Oikonomidis, A. Papayiannis and A. Tsonos.

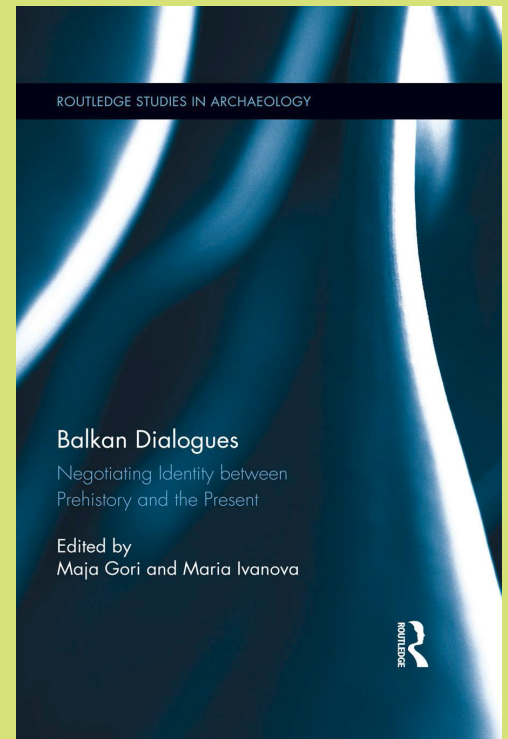

A collection of articles challenging the concept of archaeological culture and its relationship to identity in Balkan archaeology. Case studies cover a wide area from Serbia to Greece and Anatolia and address relevant issues concerning the interpretation of the spatial distribution of artefacts. ☽

**Presentation of the book by the editors...
... and discussion by Prof. J. Papadopoulos (UCLA).**

Will also intervene:

- S. Oikonomidis on an overview of the Greek-Albanian archaeological activities in the Korçë region
- T. Krapf / O. Aslaksen on the Balkan Bronze Age Borderland Project

*** the book presentation will be followed by a reception ***

Swiss School of
Archaeology in Greece

**THE BALKAN BRONZE AGE
BORDERLAND PROJECT**

BURIAL TUMULI IN THE BALKANS

Sat. Dec. 9 OPEN WORKSHOP (17:00 - 20:00)

The Balkan Bronze Age Borderland Project invites to an open workshop on **tumulus archaeology**, with six presentations and a discussion lead by G. Recchia:

- A.-Z. *Chemsseddoha*: Tumuli in Northern Greece: an old tradition, various realities
- Ch. *Kleitsas*: The burial tumuli of Epirus through time and space: Not so rare after all
- R. *Kurti*: Recent research on tumuli from northwest Albania
- E. *Agolli*: Regional and intra-regional networks in late prehistoric Illyria: choices of architecture and topography of burial tumuli
- M. *Gori*: Tumuli in central Dalmatia: old excavations and new research perspectives
- A. *Touchais* / N. *Papadimitriou*: The prehistoric tumuli of Marathon-Vranas. Reassessing the data of an old excavation: new evidence and new queries

Comittee: O. Aslaksen (Gothenburg University), M. Gori (Bochum University), T. Krapf (Swiss School of Archaeology in Greece), G. Recchia (University of Foggia); *contact*: tobias.krapf@gmail.com
