

Cremations in Archaeology 2026

#CiA2026

Dates: 22–24 October 2026

Main venue: Natural History Museum in Vienna, Austria

The [Cremations in Archaeology](#) conference 2026 in Vienna will be jointly organized by the University of Vienna, the Natural History Museum in Vienna and the Austrian Archaeological Institute of the Academy of Sciences and give participants the opportunity to experience a range of venues during their stay.

The format mirrors CiA 2022 in Belgium and CiA 2024 in Slovenia. An optional pre-conference excursion takes participants to the Traisen Valley and significant Late Bronze Age sites in Lower Austria. The excursion is followed by a wine reception in the Faculty Centre for Archaeology, Department of Prehistory and Historical Archaeology's archaeological collection on Wednesday.

The main venue of the conference will be the auditorium of the Natural History Museum in Vienna, with room for 140–190 participants, as well as space for posters and coffee breaks. The Thursday evening wine reception will take place in the Dinosaur Hall. Behind-the-scenes tours will take interested participants into the office and storage facilities of the prehistoric collections of the NHM.

On Friday, the conference dinner will take place in the historic building of the Postsparkasse, Austrian Academy of Sciences. The keynote lecture by Marie Louise Sørensen (University of Cambridge) will be held after the morning coffee break on Saturday. The conference will end in the late afternoon.

Registration

Please register online via [this link](#). Registration desks where you can pick up your badge and conference bag will be available on Wednesday, 21 October 2026 from 17:00–19:00 at the Faculty Centre for Archaeology, and from 8:00 on all other conference days at the Natural History Museum. Please pay the conference fee (€ 50 student/ € 100 regular) in cash at the venue.
